and Licensee:

and pertains to the tools indicated in section 6, including example programs and documentation ("Software").

1 Authority to Bind

You represent and warrant that you have actual authority and are duly authorized to bind your principal or employer, if the Software has been acquired for them, and that you have adequate legal capacity to enter into binding agreements on behalf of yourself, or your principal or your employer.

2 Copyright and Restrictions

1. All intellectual property rights in the Software are protected by German copyright laws, other applicable copyright laws, and international treaty provisions. All rights are retained that are not expressly granted. No title, property rights or copyright in the Software or in any modifications to the Software shall pass to the Licensee under any circumstances.
2. The Licensee agrees not to make nor to permit the making of copies of the Software (including its Documentation) except as authorized by this License Agreement or otherwise authorized in writing by AbsInt Angewandte Informatik GmbH. The Licensee agrees not to distribute, sublicense or copy any portion of the Software; modify or prepare derivative works from the Software; or revise, reverse engineer, decompile or disassemble the Software in whole or in part or permit any third party to do or attempt same. The Licensee may not alter or remove any details of ownership, copyright, trade mark or other property right connected with the Software.
3. The Licensee may use the Software for evaluation purposes only. The evaluation period is limited to a fixed term. All rights granted to the Licensee in this agreement will be void after the end of the evaluation period, which is no later than 30 days after the Licensee received the Software.

3 Limitation of Liability

The Software is provided "AS IS".

4 Termination of this License

AbsInt Angewandte Informatik GmbH may terminate this license at any time if Licensee is in breach of any of its terms and conditions.

Upon termination or at the end of the evaluation period, Licensee will immediately destroy the Software or return all copies of the Software and Documentation to AbsInt Angewandte Informatik GmbH and will certify so in writing.

5 Applicable Law

This license shall be governed and interpreted in accordance with the laws of Germany. Any disputes arising herefrom shall be subject to the jurisdiction of appropriate courts of Saarbrücken, Germany.
